- advice on accounting;
- identification of taxation risks;
- identification of tax overpayment;
- support during tax inspections.

All services on taxation provided by Com-Unity are to reveal and minimize Client's taxation risks, to optimize taxation legitimately, and to develop effective taxation policy and accounting scheme.

BUSINESS LEGAL SUPPORT

In legal issues you should not call for common sense but lawyers.

Robert Lembke

- legal advice in civil, customs, and foreign currency exchange law;
- legal support in corporate and labor interactions;
- legal advice in antimonopoly regulation;
- transaction support;
- legal review of state authorities' actions.

We provide support to companies who has internal legal specialists/department, and to those who does not.

We are ready to provide our competences in specialized spheres of law, taxation and accounting.

ARBITRATION

*And good arguments must yield the best ones.
William Shakespeare*

Adjudication services:

- representation in court;
- preparation of claims to the court;
- tax disputes;
- disputes with contractors;
- labor and corporate disputes;
- enforcement proceedings;
- bankruptcy.

We always advise our clients trying to resolve conflicts through pre-trial settlement, but it is not always possible for one reason or another, and in this case, arbitration becomes the only possible solution.

SERVICES IN INSURANCE SHPERE

Insurance is an ingenious modern game of chance in which the player is permitted to enjoy the comfortable conviction that he is beating the man who keeps the table.

Ambrose Bierce

Legal services for insurants

- legal assessment of insurance products;
- disputes with an insurance company;
- project support in the field of insurance;
- organization of a company's insurance.

We are not agents or brokers of any insurance company, we act solely in the interests of our clients.

Our competence allows us to minimize risks inherent in insurance products, and to turn insurance into a tool that ensures recovery of insurance claims.

Almost 10 years of experience in the insurance industry both as consultants and as in-house insurance companies' lawyers, as well as participation in numerous projects in various areas of insurance allow us to guarantee high quality of project implementation.

PROJECT CONSULTING

A project is a task measured by time, cost and outcome.

❑ **Receivables Management**
